Pave the Road to Tokyo with War Bonds

Three Industrial Firms Subscribe To Clerk Fund

Three Torrance industrial establishments already have subscribed \$25 each toward the fund being raised by Torrance Retail Merchants Association to defray cost of the hiring of an additional clerk at the Torrance War Price and Ration Board office.

They are Soule Steel Co., Pacific Smelting Co., and Dow Chemical Co.

The merchants for some time have been subscribing to a monthly donation for payment of the salary for the part time clerk to enable industrial plants and commercial firms to obtain the maximum efficiency in service at the board office.

The industrial firms have been asked to aid in the matter, and these three already have responded, according to George W. Chapman and L. Washer, members of the committee of Retail Merchants Association who are handling the raising of the fund.

MIAMI VISITORS

Mrs. K. G. Wagner and daughter, Kathryn, left recently by plane for Miami, Fla., where they will visit her husband's parents, Mr. and Mrs. J. Wenger.

Hospital Show Given by Moose Is Big Success

The Torrance Moose show and dance at the Civic Auditorium, Friday, March 9, given for the boys from the Army hospital in Torrance, was a great success with 75 boys present and plenty of girls as partners at the dance after the vaudeville show presented by child entertainers.

Capt. Robert Ecton, public relations officer at the hospital, thanked the Moose lodge, the girls who attended, Al Hanson's All Moose Orchestra, the entertainers, and all persons who helped with the arrangements, for the event.

Cpl. David Dortort, of the Army hospital said that recently at a show at the hospital, Joe E. Brown autographed several books for the boys. This book entitled, "Your Kids and Mine," was written by Brown.

FRIENDS MEET

Commander H. Phillip Jensen, Merchant Marine Service, recently visited with Merle Richardson, Seaman 2/c, U.S.N., on board his ship, it is reported.

ALDEN SLOVER HERE

Lt. (jg) J. Alden Slover, U.S.N., was a recent visitor at the home of his parents, Mr. and Mrs. Harry W. Slover, of 1712 Martina ave.

Local Firm Acquires New Floor Space

Torrance Precision Manufacturing Co., of 1513 Border ave., has acquired 2500 additional square feet of floor space, at 6120 S. Van Ness ave., for increased production of aircraft parts, it has been announced.

Seventeen new manufacturing enterprises were launched in Los Angeles county last month, bringing the total of new industrial plants opened in the first two months this year to 36, the highest number for the period since 1938, George J. O'Brien, chairman of the Los Angeles Chamber of Commerce industrial development committee, reported.

Capital invested in the new factories during February amounted to \$253,000, O'Brien said.

In addition to the new plants, expansion of facilities was announced by 24 established plants last month, with capital investment of \$1,855,000.

Capital invested in industrial expansion in the first two months this year—including new plants and expansion of established factories—totalled \$5,498,000. This sum marked a sharp drop from the \$17,525,000 all-time high recorded in the first two months of 1944, and also was much lower than in previous war years.

The \$5,498,000 figure for January and February this year, however, was 120 per cent greater than the prewar average of \$2,400,000 for the period.

Bob Maxfield Is Winner of Speaking Contest

Torrance Lions club will receive its charter next Tuesday evening at a charter night dinner-dance at Pecos Verdes County Club, and President Harry B. Lewis declared that more than 40 members' names will be on the charter.

At the meeting on Tuesday noon at Civic Auditorium, guests included Principal Harold Perry of Torrance high school, and Mrs. Elizabeth McKinnon, teacher of dramatics, who aided in the presentation of Torrance finalists of the eighth annual Lions International student speakers' contest.

Sponsored by the Lions clubs of California and Nevada, the contest in Torrance resulted in the selection of Robert Maxfield to represent Torrance Lions at the zone contest which will be held Friday night, March 23, at Scully's restaurant, 48th and Western, Los Angeles. Each student spoke on "What My Parents Mean to Me," and judges found it difficult, they said, to arrive at a decision. Others competing with Maxfield, a senior, were Betty Goetsch, another senior; Shirley Vanderventer and Virginia Fletcher, both freshmen. The winner of the zone contest has an opportunity to compete with other students from California and Nevada for a \$350 scholarship to any college of his choosing.

W. E. Briley, R. I. Plomert, Jr., General Petroleum tax expert and A. B. McTee were installed as charter members, increasing the membership of Torrance Lions to 36.

ODD FELLOWS LODGE INFORMATION HERE

For information concerning Odd Fellows Lodge, No. 195, Redondo Beach, members and prospective members are asked to contact the newly elected secretary, Virgil E. Deems, 1804 Andree ave., or call Torrance 34534.

The lodge meets each Friday evening at 112 1/2 No. Catalina ave., Redondo Beach.

County Aid for Crenshaw Change Darby's Pledge

Aid of Supervisor Raymond V. Darby in securing rights-of-way to eliminate the jog in Crenshaw blvd., from 190th st. will be accepted by the City Council, it was indicated Tuesday night.

Darby offered assistance of the county in "curving" Crenshaw blvd., from 190th st. north to a point about 500 feet north of 190th st.

The abrupt end of Crenshaw blvd. at 190th st. has been the scene of a number of accidents in the few months since the new roadway was paved north of 190th.

Elementary Teachers Are Needed Here

Qualified elementary school substitute teachers in a ready employment in the Los Angeles City school system if qualified, according to Bernard Strand, principal of Torrance Elementary school.

The school district is paying \$9.50 a day for substitutes in the elementary field.

Applicants with two years teacher-college training; high school graduates with two years teaching experience, or with one year teacher-college training and one year elementary teaching experience may qualify. Local persons interested should apply to Principal Strand.

HAS \$10 COMING?

In presenting a \$10 Bank of America Traveler's check for purchases made Wednesday at Safeway Store in Torrance, Mrs. Maurice Longval, inadvertently removed two checks, it is reported by James L. Rahl, manager. Upon supplying proper identification, she may recover her additional check, he stated.

Torrance A.C. Defeated by Pacific Clay

Torrance A. C. bowed to the red hot Pacific Clay nine, Sunday, March 11 at the Torrance field, 4-2.

Bob Williams, T.A.C. although pitching good ball, was in trouble constantly due to indifferent support from his teammates. On the other hand, Mandell's fine pitching for Pacific Clay was backed by flawless fielding. Fro mthe fans standpoint, however, it was another interesting and hard fought game. It was encouraging that the disorganized T.A.C. nine, hard hit by the loss of three of their best players, could give the Pacific Clay team such a tough game.

T.A.C. continuing their habit of making all games close, made this the eighteenth out of their last 32 games in which the winning margin was 2 runs or less.

Bob Williams, besides pitching fine ball, paced the T.A.C. with two hits, driving in both T.A.C. runs.

Next Sunday, March 18, the powerful Pacific Pipe Liners, an all colored team, will be the visitors. Pitching for this team will be the well known Jonas Miles, who has twice defeated the great Satchel Paige. A real treat is in store for the local fans at this game, says Charles Ausmus, manager of the T.A.C. nine.

STEELHEAD

A few steelhead have been taken in the Napa River, reports the outing department of the National Automobile Club. Water in the river is clear and not too high but the run seems to be considerably less than last year. Fishing in adjoining Sonoma County is poor and the Russian River is still high and muddy.

MARCH SPECIAL

OH, WHAT A BEAUTIFUL BARGAIN!

EX-CEL-CIS FOUNDATION CREME 98¢
